RE: Aleknagik School Construction Contract

Dear Gerry:

With the conclusion of the contract for rebuilding the school at Aleknagik, I want to commend Neeser Construction Co., Inc., for its excellence in providing construction service to the Southwest Region School District. The project represented an unusual set of circumstances, where the anticipated scope of work represented only fifty percent of the final constructed program. With an intense time demand and with funds availability not fully representative of the expanded program, your company responded timely, efficiently and professionally. I personally wish to congratulate Sam Adams and Gary Donnelly for their dedication to excellence.

On behalf of the Southwest Region School Board, we thank Neeser Construction Inc., for a tough job well done.

Very truly yours,
