Dear Mr. Field,

Senco Alaska would like to congratulate you and your company on your nomination for the *Excellence in Safety Award* at this year's AGC Conference. We applaud your hard work and dedication to the construction industry, and this prestigious award is a reflection of your efforts. Being a family owned and operated business serving the construction trade for over 39 years, we appreciate having well operated companies such as yours, which continue to build a great future for Alaska.

We look forward to working with you in the future.

Sincerely,

The Senco Alaska Team
